Striped Bass Fishing Log for 2002

- You may use this form as a fishing log during the 2002 fishing season. This log does not have to be submitted with your catch report however, the Division has found this information to be very useful for management of the fishery.
- Record all commercial **and** recreational fishing days during 2002.
- Use only **one category** of fish per line.
- Calculate an **average length** of all fish in each category. Do not list a range of lengths.
